

Just had a parcel and letter from Uncle Erich,
 who tells me that you wrote to him too. Nice of you.
 --Have not received those Refrigerator catalogues yet.
 Also will you be a nice girl and send me the magazine
 LIFE regularly. It is very difficult, nay impossible,
 to get it here.

How much does Gail know about me?

Loads of love for now and lets hope
 everything will be O.K. right soon,
 Yours ever,

Kurt

Just now I have hope of...
 and hope of...
